With SC Safaris, you're not just embarking on a hunt; you're stepping into a legacy of passion that spans the majestic plains of Southern Africa, the enigmatic Mopani forests of Zimbabwe, the historic Caprivi Strip, the boundless savannas of Cameroon, and the wild heart of Tanzania.

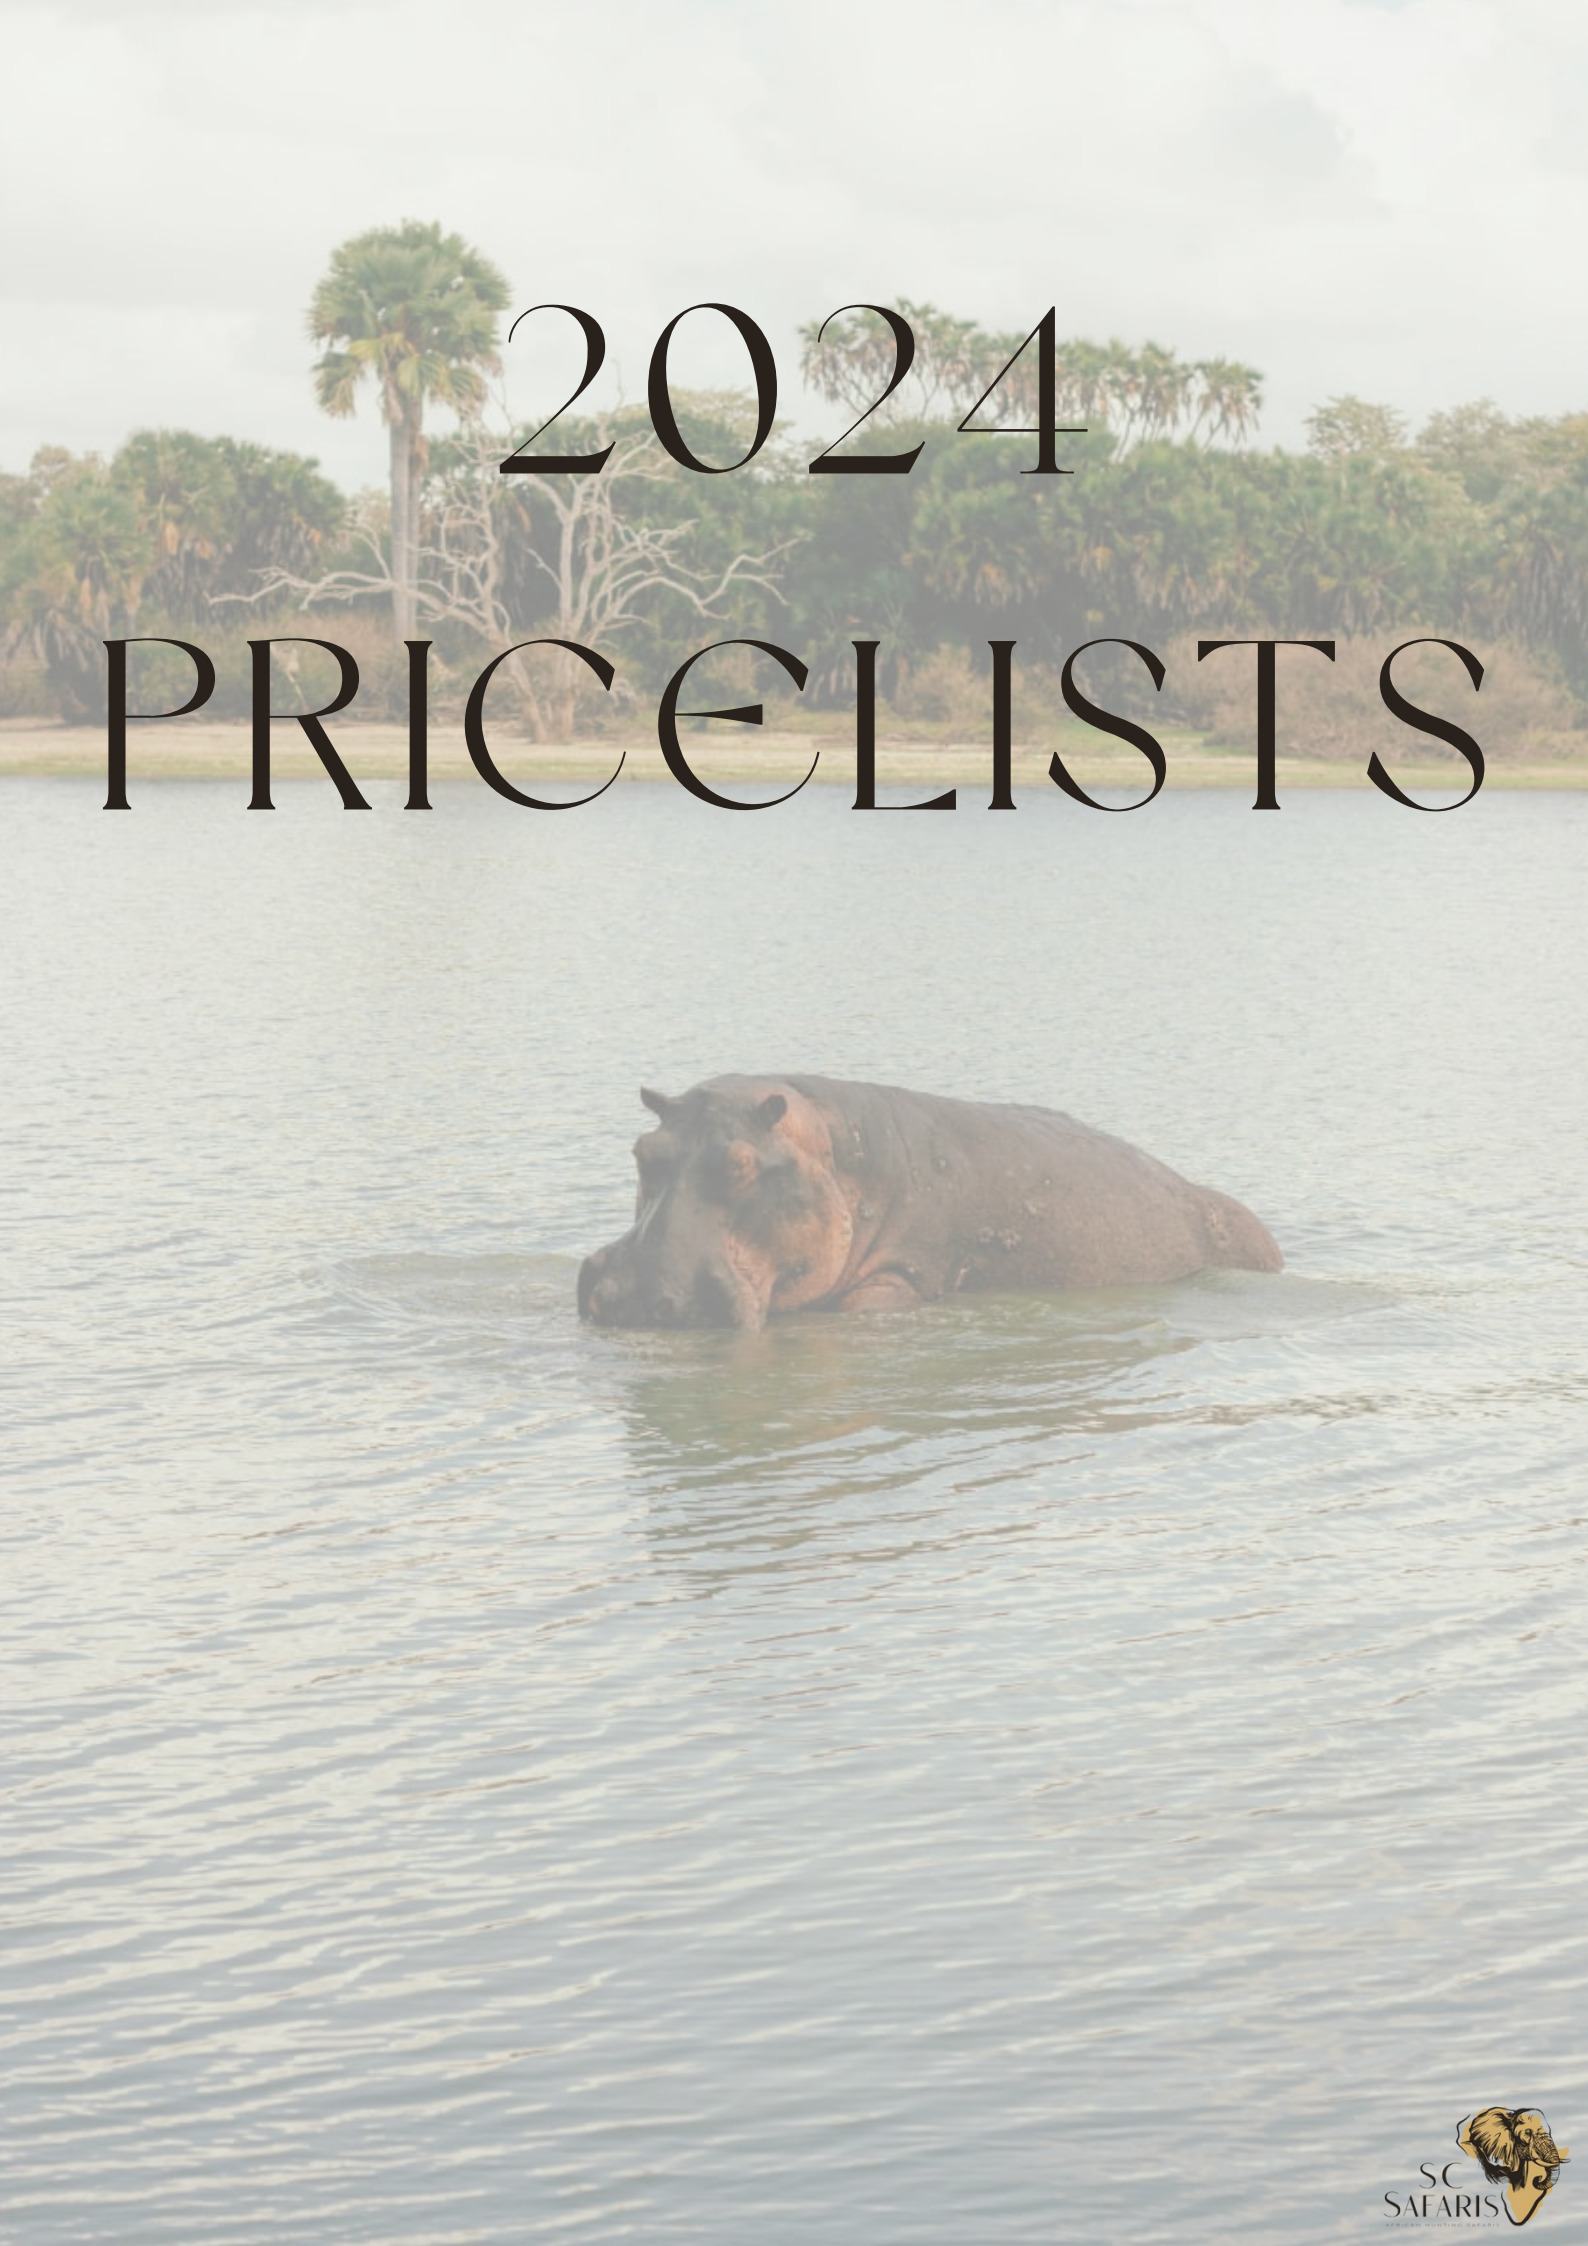

For hunters by hunters, SC Safaris is the epitome of a premier hunting experience. We understand the call of the wild because it echoes within us too. When you choose SC Safaris, you're not just a client; you become part of a tradition that celebrates the purest form of hunting with a commitment to excellence that only true enthusiasts can offer. Prepare for an experience that will etch itself into your soul, leaving you with tales of the hunt that will be recounted for generations.

Sarel Van der Walt has left his incredible mark on the hunting world as a masterful and extraordinary bow hunter. With unwavering dedication, he has successfully taken down all Plains game species and even ventured into the realm of dangerous game—armed only with his trusty bow and passion for the hunt. His deep understanding of fellow bow hunters' needs sets him apart. As an Outfitter and Professional Hunter (PH), he consistently upholds the highest standards. For over a decade, Sarel has roamed the wilds of Southern Africa perfecting his craft and accumulating a wealth of experience. His mission is to tailor each client's adventure to be unique and memorable. Whether stalking elusive prey or sharing hard-earned wisdom around the campfire, Sarel's legacy is etched in the very fabric of the wilderness.

Christopher Pretorius has been hunting from a very young age, enticed into the industry by his Grandfathers stories and legacy as one of the last ivory hunters in Africa. Christopher has been guiding throughout Africa as a Professional hunter and Outfitter for the last 8 years, hunting Southern Africa all the way up to Cameroon. The biggest motivator for Christopher is to make sure our clients who travel far and wide to come on safari in Africa get the best possible experience and stories to tell for a lifetime.
